Louis Zamperini To Address Christ Rally

Speaker at the fourth Youth for Christ rally in Torrance this Saturday at 7:30 p.m. will be Louis Zamperini. The rally is scheduled to be held at the First Baptist Church, Carson and Manuel.

In 1934 Louis Zamperini, a Torrance High School alumnus, broke the Inter-Scholastic mile record and in 1936 he made the United States Olympic team and competed in Berlin. He was 18 years old and still in high school. During the Olympics he tore down Hitler's swastika and was shot at twice and questioned by General Von Fritts. In 1938 he broke the National Collegiate one-mile record. The time was four minutes, eight and two-tenths seconds.

During the war Louis Zamperini was better known as the Army Air Force captain who spent 47 days on a life raft. For 43 days he was also held as a war prisoner, in solitary confinement by the Japs and was a prisoner for 2 and half years altogether.

In November 1949 Mr. Zamperini accepted Christ as his personal Saviour and he testifies that that was the most thrilling experience he has ever had in all his life. Since that time he has traveled all over the United States giving his testimony in Youth for Christ rallies, churches of all denominations, high schools and colleges. At one youth rally in Minneapolis, Minn. he gave his testimony to 11,000 persons.

Bringing the special music for the evening rally will be the Pacific Bible College A Cappella Choir, the McClane Trumpeters and the King's Envoys Male Quartet.

The Pacific Bible College A Cappella Choir is acclaimed the outstanding choir of its kind on the west coast. Prize winner in the Sacred Music Festival held at the Los Angeles Philharmonic auditorium, it has been featured extensively in Youth for Christ and other large rallies.

The McClane Trumpeters have been given high praise at all rallies in which they have played for their new and novel arrangements of the great hymns of the church.

Four of the members of the A Cappella Choir form the King's Envoys Male Quartet.

Schooling Deadline For Veterans Nears

The deadline for most veterans for starting a course of education and training under the GI Bill is fifteen months away—on July 25, 1951.

A Veterans Administration regulation, issued today, states the majority of veterans will not be permitted to begin GI Bill courses after that date. An exception has been made for those discharged after July 25, 1947, and those who enlisted or reenlisted under the Armed Forces Voluntary Recruitment Act.

TEEN AGERS TRIP LIGHT FANTASTIC

About 40 Normont, Terrace teenagers danced to popular records last night at a recreation department shindig in the local social hall. Miss Rosalie Isbitz was in charge.
